Computer Networks and Telecommunications engineering student with a passion for Cloud technology, cybersecurity, software development and machine learning . Experience in mobile/web development and academic ML Apps.

EDUCATION

National Institute of Applied Sciences and Technology (INSAT) Tunis, 2022 - Present
Engineering Program in Computer Networks and Telecommunications

Abu Kacem Chebbi High School Sfax, 2022
Mathematics Baccalaureate with Honors

TECHNICAL SKILLS

- **Programming Languages:** Python, C, C++, Java, PHP, Matlab, HTML/CSS/JavaScript
- **Libraries & Frameworks:** Numpy, Pandas, Scikit-learn, Symfony, Vue.js, Node.js, SpringBoot
- **Soft Skills:** Leadership, Decision-making, Communication, Multi-tasking, Teamwork

EXPERIENCE

APBS Groupe Company Sfax, June 2024 - July 2024
Web/Mobile Development Intern

- Developed a web-encapsulated mobile application for energy tracking using full-stack tools.
- Gained hands-on experience in web and mobile software engineering workflows.

PROJECTS

Cardiac Signals Classification 2025
Machine Learning Academic Project

- Implemented ML models to classify cardiac signals and detect heart anomalies using supervised learning.

DoctorME 2024
Java-based Android App with Embedded Python

- Collaborated within a student team to develop an Android health assistant using Java and Python integration.

CERTIFICATIONS

Cisco Networking Academy: CCNA-1 (Issued 2025)

NVIDIA: Efficient Large Language Model Customization (Issued 2024)

FreeCodeCamp: JavaScript Algorithms and Data Structures (In Progress)

AWS: Introduction to Cloud (In Progress)

EXTRACURRICULAR ACTIVITIES

Competitive Programming 2023

- Participated in IEEEExtreme 17.0 (IEEE SB INSAT) and CodeQuest (ACM INSAT), Strengthening skills in algorithmic thinking and team collaboration.

Capture The Flag (CTFs) 2023

- Competed in Darkest Hour CTF organized by Securinets INSAT Club, solved challenges in security, cryptography, and reverse engineering.

PositiveVibes Sfax Association Dec 2022 - Sep 2023

- Volunteered in charity and entertainment events, contributing to their planning and organization.
